ABOUT THE SOFTWARE

SID MEIER'S CIVILIZATION® V

Become Ruler of the World by establishing and leading a civilization from the dawn of man into the space age. Wage war, conduct diplomacy, discover new technologies, go head-to-head with some of history's greatest leaders and build the most powerful empire the world has ever known.

THERE CAME AN ECHO

There Came an Echo is a real-time strategy game in which the player assumes command of a small squadron, using an advanced voice recognition system to issue orders. It features a character-driven sci-fi narrative that stars Wil Wheaton, Ashly Burch, Laura Bailey, Yuri Lowenthal, and more!

ADVENTURE CAPITALIST

AdVenture Capitalist is the world's greatest capitalism simulator. Start with a humble lemonade stand, and squeeze your way to total fiscal domination! Earn ridiculous sums of cash, diversify your investments, and attract smarmy Angel investors to give your businesses a boost!

GRID AUTOSPORT

Following on from the BAFTA-winning GRID and BAFTA-nominated GRID 2, GRID Autosport is the new racing game from Codemasters® that brings alive the experience of becoming a professional racing driver. Immersing gamers in a world of contemporary motorsport with a wide range of different disciplines and series, players will choose how to build and shape their career. It's a world of breadth, of depth, of intensity and, of course, of the excitement that only racing cars can deliver.
