If the Product fails any due diligence check we may notify the relevant police authority and we may pass the Product and your details to them and the e-gift card value may be cancelled or recovered.
7. If the Product contains a SIM card, you must remove this along with any accessories prior to trade in. We will not be liable for any consequence of you not removing the SIM card or accessories, including any payments associated with the Product or the SIM card.

8. If there is data stored on the Product you wish to retain, it must be saved elsewhere and you must remove any memory card and/or all data that has been put onto the Product prior to trade in.
