

#### THE MACHINES

Stylish, convenient and easy-to-use, *Nespresso* coffee machines produce the perfect coffee, cup after cup. The machines are both beautiful in design and simple to use, with 19-bar pressure and a patented extraction system. Most importantly, they are the only machines capable of revealing the rich aroma and flavours of the coffee contained in each *Nespresso* coffee capsule.

# THE COFFEE

Nespresso offers a unique choice of Grand Cru coffees to satisfy every taste at any time of the day. Only 1–2% of the coffee grown globally meets the Nespresso taste and aroma profiles. All Grand Cru coffees lend themselves to be used in recipes that combine coffee and fresh milk (cappuccino, caffè latte and latte macchiato) to create new indulgent experiences.

As a Club Member you will gain access to a number of exclusive services and privileges, such as convenient ordering, free delivery options, personalised services, exclusive events and an environment in which to share your passion for coffee.
